

**Receptionists & Business Administration
Apprentice
at Cornerstone GP Practice**

Abbie, told us that the awards ceremony was,

“like the Oscars of March!”

After the application went in the panel interviewed Abbie and her manager. Abbie is really proud of what she has achieved, she is currently on the Care Navigator Programme and would ultimately like to train as a HCA.

Sarah Fox, Abbie’s Practice Manager explained,

“I nominated Abbie because she is calm under pressure, despite her youth. She always makes sure that she is understood and has proved to be a safe pair of hands.”
