

Child Sexual Abuse and Exploitation Week of Action – Webinar Planner

NHS England North in support of National Child Sexual Exploitation Day (18 March 2018) is running a national week of action to highlight the importance of this area of safeguarding and working with and listening to Children and Young People. As part of this week of action a series of Webinars are being held for staff to register and join.

Below is a list of speakers, topic areas, dates and times of the Webinars to register on your chosen Webinar please email the North Region Safeguarding Team – england.safeguarding-events@nhs.net - stating the chosen Webinar details.

A confirmation email with the relevant log in details will be sent to you once your place has been confirmed. Any queries please contact: england.safeguarding-events@nhs.net
