

Perinatal Mental Health Study Day

William Harvey Lecture Theatre | 06 October | 09:00 - 16:30

An exciting and informative day on perinatal mental health for all professionals involved in supporting mothers in pregnancy and beyond. Enhancing your knowledge and confidence when supporting mothers and families with their mental health.

You will have the opportunity to listen to a range of specialists from the multidisciplinary team. Learn how the planning of care in pregnancy and for birth positively affects a mother's experience.

Refreshments and
lunch included

Student admission: £30.00 (exc. booking fee - please contact Magda)

External staff members admission: £60.00 (exc. booking fee)

Internal staff members admission: £50.00 (exc. booking fee)

Book now: www.pmh18.eventbrite.com
