

RCGP Management of Drug Misuse Re-certification

Book Now for November and December!

The RCGP Management of Drugs Misuse Re-Certification builds upon the skills and knowledge gained from the RCGP Certificate in the Management of Drug Misuse Part 1. It also encompasses new topics and the revised guidance published in the 2017 – Orange Guidelines by PHE (Public Health England).

This is a multi-disciplinary course suitable for GPs, pharmacists, nurses, support workers and other healthcare professionals who have completed and gained the certificate on RCGP Certificate in the Management of Drug Misuse Part 1.

Learning Objectives

- Changing drugs trends,
- Novel psychoactive substances,
- Reducing drug-related deaths,
- Management of co-morbidities (mental health, trauma-informed care and pain) and service organisation and delivery.

Course Details

- A full day accredited RCGP face-to-face training session led by Spectrum Learn & Develop
- Approximately 9 CPD hours will be gained on completion of this course

Course Cost: £170 per delegate

For bookings or queries please contact our training coordinators on 01924 311405 or email

Drugs.Recertification@spectrum-cic.nhs.uk.
