

# RCGP EAST ANGLIA ANNUAL SYMPOSIUM 2019

## GP Trek - The Next Generation

The Waterfront, University of Suffolk, 19 June 2019

To boldly go ....

Join us for a highly engaging day showcasing the exciting and dynamic world of General Practice.

Delegates can expect a varied programme of workshops and talks with plenty of opportunity to network. Hear from, meet and contribute towards discussions with leaders in the profession including Nish Manek, Founder of Next Generation GP, Deborah Swinglehurst, GP and Senior Clinical Lecturer at Queen Mary University, London and a host of GPs with special interests.

Workshops include child and adult safeguarding updates, as well as a cornucopia of clinical and professional topics.
