This full day RCGP Conference aims to explore the time-less doctor patient relationship and the changing nature of primary care both in the UK and internationally.

The Conference is open to GPs (members and non-members), Practice Nurses, Practice Managers, GP Trainees and ALL members of the Primary Care Team.

The programme will feature address by Keynote Speakers:

- ◆ **Dr Roger Neighbour OBE**, past RCGP President
- ◆ **Professor Amanda Howe**, President WONCA
- ◆ **Dr Arvind Madan**, NHS England Director of Primary Care

There will also be a Panel Debate
'This house believes that the new models of care, are eroding the essence of General Practice?'

Plus a variety of interactive workshops to choose from including:

- Developing a multi-professional workforce within the practice—4 P's
- Global Health experience
- The changing face of general practice careers
- Changing nature of patient interaction: new models of care
- Making the most of your First5 years of your career
- The Inner Physician

The 53rd James Dundas Simpson Lecture will be given by Dr Tony Pearson
'The Kiwi Experience—Rural Practice in New Zealand'

There will also be a booking signing by Dr Roger Neighbour
