

## Appendix 1 – Map of Dispensing Rights

Where all three circles overlap Riverport can dispense to this area from all three premises as long as it is a controlled locality and more than 1.6km from a pharmacy. The parish of St Ives is not a controlled locality.

Where just two circles overlap Riverport can only dispense to those areas from two of its premises as long as they are a controlled locality and more than 1.6km from a pharmacy.

Where no circles overlap, Riverport can only dispense to those areas from one of its premises as long as they are a controlled locality and more than 1.6km from a pharmacy.
